

Hospital Improvement Innovation Network (HIIN)

By Patti Taylor

You can still sign up IHI Fellowship's Why should I participate in the fellowship?

The QI fellowship is a professional learning environment that is completely free of charge to those who chose to participate. It is a network of clinicians and quality improvement workers who strive to continually make health care better and safer for all patients. The fellowship includes virtual education events and webinars, office hours, a QI project, and access to IHI's Open School

In order to receive a certificate, fellows will be given detailed criteria prior to their commitment in joining. **10 CNE's offered**

Which fellowship track is right for me?

Foundations for Change Fellowship
Tailored to those who are new to quality improvement:

- Deploy tools such as aim statements, driver diagrams, and run charts
- Galvanize others to participate in your improvement efforts
- Develop and sustain momentum
- Mitigate common improvement pitfalls

Accelerating Improvement Fellowship
Fellows will learn how to:

- Assess whether your QI efforts are setup for the success
- Utilize data to identify, drive and sustain performance improvement
- Ensure process reliability and sustainability
- Plan for spread and scale
- Mitigate common improvement pitfalls

Olulana Bamiro- Medical City Denton
Sara Comport- Baylor Scott & White Temple

Both Completed the Quality Improvement Fellowship for 2017

Complimentary event hosted by the Dallas-Fort Worth Hospital Council and Fisher Phillips.

ACTIVE SHOOTER TRAINING:

What to do in the Healthcare Workplace

Wednesday, Feb. 21
9:00 a.m. - 11:00 a.m.
 Texas Scottish Rite Hospital for Children

Guest speakers:
Captain Dan Birbeck
 Dallas County Hospital District Police Department
 and
Employment Law Attorneys
from Fisher Phillips

With workplace violence on the rise in the U.S., the Dallas-Fort Worth Hospital Council and the employment lawyers at Fisher Phillips invite hospital executives, employees and security professionals to attend a proactive presentation on active shooter training by Captain Dan Birbeck. The lawyers from Fisher Phillips will also provide a best practices update for employers regarding workplace violence. Recent injuries and losses of life have made it imperative that hospitals commit to strategies that minimize the risk and devastation of a potential active shooter. This seminar will provide valuable training featuring the "ADD - A-Avoid, D-Deny, D-Defend" method that may help you and your employees escape potential workplace tragedy.

Register:
<https://activeshootermedical.eventbrite.com>

Information:
 Jourdan Pruit, jpruit@dfwhc.org, 972-719-4900

This complimentary educational event will include **Captain Dan Birbeck** of the [Dallas County Hospital District Police Department](#) discussing the **ADD - A-Avoid, D-Deny, D-Defend** - method that may help you and your employees escape potential workplace tragedy.

Register to attend this free in person event

Sorry - no CE's are offered for this event, just the opportunity to keep you and your patients safe.
