Send your Hospital Week photos for our next newsletter ptaylor@dfwhcfoundation.org

HRET HIINovation Road Show Tuesday May 22, 2018 9:00 am-3:00 p.m.

DFW Airport Marriott Hotel

You are invited to the **FREE** HRET HIIN DFW Roadshow to network with your fellow HIIN Hospitals and learn from experts in the field.

Objectives:

- Workshop style sessions will promote skill building that will directly apply to hospital based improvement work
- Focus on foundational, cross-cutting leadership, improvement and change management strategies
- Promote peer-to-peer networking and utilize hospital stories to overcome common challenges
- 4 CNE's offered
Hotel rooms will be provided by HRET for anyone greater than 50 miles from Irving.

Registration closes May 15th and seats are limited

[Register Here](#)

May 5th is World Hand Hygiene Day this year
WHO's [SAVE LIVES: Clean your Hands campaign](#)
calls on health facilities to prevent health care-associated sepsis through hand hygiene.

Send pictures of staff washing their hands to: ptaylor@dfwhcfoundation.org
(creativity is encouraged)

Knowledge
is
power!

On July 12th the DFW HIIN will host a Data Analytics class at Texas Woman's University-Dallas Campus computer lab.

You will have didactic learning and then hands on practice using Excel.

2 classes will be offered on July 12th. You pick one

8am-12noon
or
1pm-5pm

Objectives:

- Determine the essential skills for effective healthcare data analysis
- Articulate different data types and appropriate uses for each
- Compare and contrast data analytic types and tools
- Practice data analytics skills in Excel

The class is provided by The University of Texas Health Science Center at Houston and taught by Kimberly Smith, PhD, MT Assistant Professor, UT Health School of Biomedical Informatics

Seating is limited register today for this FREE course

Get UP!! Early Mobility Matters Webinar

**Webinar June 7, 2018
1:00 – 2:00 p.m. CST**

Speaker: Jackie Conrad, RN, BS, MBA-
Improvement Advisor for Cynosure Health

The time has come to reverse the epidemic of immobility. Such an “inaction” is harming patients and stalling efforts to reduce fall-related injuries.

Join us to learn how early, progressive mobility is delivering unprecedented positive patient outcomes. Learn productive ways to reduce multiple harms, readmissions, length of stay and worker injury.

Registration is free but is required
